

## Five to Be Confirmed

On May 21, five young people of St. John United Church of Christ will confirm their faith in God and accept their role as full members of the church. They have been following an intensive course of study for the last six months. Mentors met with the confirmands in small groups or individually as their schedules permitted.

Basics of the Christian faith and our story as found in the bible, as well as the history of Christianity and the United Church of Christ were covered. The youth participated in discussions of how to use their faith as they make daily and life decisions.

Pastor Rosemary Captain will lead the service of confirmation for Conner Brink, Hunter Brink, Brenna Cohlmeier, Silas Thomasino and Tyler Underwood. This rite is not an ending, but rather one step on their journey of faith and the beginning of accepting the rights and responsibilities of full church membership. Mentors Nancy Eisenhower, Judy Schmitt and Mike Stidham are pleased to present these young people to St. John UCC.
