

LET'S POLKA

Polka Communion – Really?

Yes, really! As a way to connect with another culture and maybe our own roots, we will celebrate World Communion Sunday, October 1, through a polka communion service. Polka Connection will join us for worship that morning. The Polka Connection band was formed in 1989. They play at local events including Spaßfest in Germantown IL, the Polishfest in DuBois IL and St Ann's Catholic Church for their fall picnic Dance and Polka Mass.

We will be singing hymn words to polka tunes. You may find that the words are fresh, more meaningful, presented in this format. Be sure to be at church on October 1 and bring friends!
